

Building a Better Hastings...

WHO We Are

- We are YOUR local community fund, every dollar raised here stays here.
- We are independent of the over 1400 United Ways.
- We are a 501c3 nonprofit serving the area of Independent School District #200 which includes Hastings, Hampton, Miesville, New Trier, Vermillion, Welch, and a portion of Washington County.
- We are governed by a 15-member Board of community members.
- We are neighbors helping neighbors, right here in the community where you live and/or work.

WHAT We Do

- Established in 1964 as United Fund, we set a precedence for compassionate support and care.
- We collaborate with other organizations, identify root causes, and solve our community's most crucial needs.
- We provide programs that support the building blocks for a good life — Education, Health, Financial Empowerment — with an emphasis on Youth.
- We carefully invest your dollars in United Way of Hastings programs and in area organizations that provide direct services to those in need.
- We maximize our limited resources through constant emphasis in accountability, stewardship, and integrity.
- We ensure that your donations have the broadest possible impact, because no single organization can meet the community's diverse needs.
- We uplift our neighbors facing hardship by helping families and individuals toward self-sufficiency.
- We improve the community's quality of life.
