

## **United Way Hurricane Michael Recovery Fund 10-11-18**

Hurricane Michael has made landfall in the Florida Panhandle and the destruction we have seen so far is only the beginning. The United Way Worldwide (UWW) Crisis Response team has been activated and is mobilizing resources to provide the best support. These moments are truly when United Way's mantra - LIVE UNITED - comes to life. Please keep these areas in your thoughts and prayers.

If you would like to help those affected via the national **United Way Hurricane Michael Recovery Fund**, visit [unitedway.org/hurricanemichael](http://unitedway.org/hurricanemichael).

- This is a response to donors and major media outlets who are looking for one, simplified place to give / direct people to impact the entire affected area.
- 100% of all money raised will be distributed to the affected United Ways.
- UWW will be working in partnership with affected United Ways once the storm recedes on distributing funds.
- UWW will actively promote local funds. The national fund is meant to complement local efforts and help United Ways that do not have the capacity to administer a local fund.
- UWW's Public Policy team will also be pushing local fund information out to appropriate Members of Congress.
